

## OPEN SCIENCE TRAINING

Dear colleagues,

We would like to invite you to an online training session focused on **Open Science** and **Open Data**, organized by **CATRIN** on **Wednesday, 29 October 2025, at 9:30 CET**.

Open Science and Open Data have become an essential part of research practice. As CATRIN researchers, you all work on projects funded by the **European Commission**, which requires compliance with specific rules, such as the **FAIR principles**.

Our data steward, **Jakub Navařík**, an expert in this field, will guide you through the key aspects of Open Science and Open Data. This training offers a valuable opportunity to deepen your understanding and to ask questions that will help you apply these principles in your research.

### Programme:

1. Introduction to Open science
2. FAIR data principles
3. How to check if data is FAIR?
4. How to publish data in Zenodo.
5. Q&A
